Matrix Standard

Richmond College operates to the highest academic standards and has multiple structures in place that ensure the standard of education provided to its students is of the highest quality.

OFQUAL Recognized Partnership

The Office of Qualification and Examination

What is OFQUAL?

The Office of Qualifications and Examinations Regulation (Ofqual) regulates qualifications, examinations and assessments in England.

Why is it important?

All learning materials are designed and written by professional academic authors so that each interactive module is aligned against specific learning criteria specified by OFQUAL.

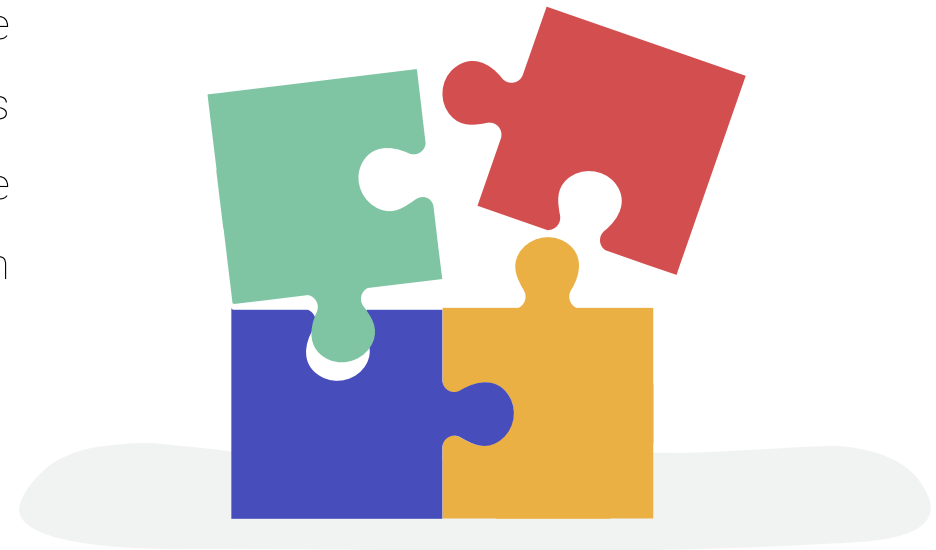

And...

Richmond College works with OFQUAL recognized Awarding Organizations for the verification of our programmes. These Standards Ensure those that learn with us receive a high quality education along with certification that is recognized universally by Universities and Employers.

Partner University Qualifications

On Completion of the final assignments, students are awarded a recognized diploma qualification. This diploma can be used to top up to a full undergraduate degree or MBA at a variety of UK Universities, either on campus or by distance learning.

Quality Monitoring Board

Richmond College also operates a Quality Monitoring Board (QMB) to ensure that we are always delivering accredited online courses at meeting your learning needs.

The Board Members Include respected academic and business leaders. Outcomes of the reviews are shared online to ensure transparency and understanding amongst our partners and students. All feedback is welcomed so taht issues can be formally raised via the QMB in a professional and objective manner.

This board meets regularly to assess:

- Specific Student Issues
- Quality issues for university partners
- Monitoring of assessment standards
- Monitoring of material content against learning outcomes.
